

How to take IEEE membership

1. Go to <https://www.ieee.org/>
>Explore the site for further details on IEEE
2. Go to https://www.ieee.org/membership/join/index.html?WT.mc_id=hc_join

- Get involved in standards development
- Network with other professionals in your local area or within a specific technical interest
- Mentor the next generation of engineers and technologists and so much more.

There's no better time to take advantage of what IEEE has to offer. Join now and get membership benefits through the end of 2021, plus save 50% on membership dues.* Enhance your IEEE membership by joining a Society specializing in your technical interests, for as little as US\$10 per year.

> Explore IEEE Societies

- > Opportunities
- > Qualifications

Accept & Close

Select "join as student".

3. Create an account or sign in to your account

The screenshot shows the IEEE website's 'Join' page. A modal titled 'Create account or sign in to continue' is open. The modal has two sections: 'Don't have an IEEE Account yet?' and 'Already have an account? Sign in using your existing account.' The first section lists benefits of joining and includes a 'Create account' button. The second section includes a 'Sign in' button and a 'Forgot password' link. The background shows the IEEE logo, navigation menu, and social media links.

4. Enter your personal and professional information correctly
